## 2025 Braselton Farmers Market Vendor Application for ALL Markets (Summer and Monthly)

### WELCOME to the 2025 Braselton Farmers Market!

*The Braselton Farmers Market was commissioned to provide a safe and friendly atmosphere where consumers can purchase directly from Georgia farmers and local food producers. It is our goal to support the economic growth of the downtown district by attracting visitors who will want to shop, relax and do business here and to provide a sense of community by promoting local downtown businesses, events and activities. By supporting Georgia farmers and food producers, we hope to educate the community on the importance of supporting Georgia agriculture.*

Dear Market Vendors,

We are excited to offer the Braselton Farmers Market again this year and look forward to having a successful market year. This application is for both the Summer markets and the Monthly markets. The Monthly markets take place in February, March, April, October and November, as weather permits. The weekly Summer markets start on Friday, May 2, 2025 and end on Friday, September 26, 2025. Unless otherwise noted, the markets are open to the public from 4 p.m. to 7 p.m. We will not have a market on July 4<sup>th</sup>.

The Braselton Farmers Market sells only products that come directly from the earth, and the food items made by our vendors. No crafts or non-edible products are allowed. Also, no reselling is allowed. Our commitment to locally produced food is what makes our market special. If you want to sell something other than food, register your email at [Braselton.net](mailto:Braselton.net) to receive information about the town's many festivals.
